ROCKY'S VIEW

 mikerockenfeller
  @m_rockenfeller
  mike_rockenfeller

Mike Rockenfeller: "Moscow Raceway seems to suit me well because I've won two of the four races held there. The track is very challenging in terms of driving skills and it's fun to go to the limit here. The circuit is very flat, has relatively new tarmac and hardly any bumps. As a result, we have plenty of grip and can use a hard and low set-up."
